

PERMISSION FOR YOUR CHILD TO USE

Zoom

With the Circuit Breaker 5 day closure, Melbourne Montessori School will use Zoom as the platform to help our Prep to Year 12 students with their learning online. We use Zoom because it has two levels of protection and teachers will not let anyone into a Zoom meeting unless they recognise the student's name.

For Year 2 students and under, parents will need to install Zoom, but won't need to create an account, just enter your name when connecting to meeting.

Zoom will be used to create a virtual classroom and will use the computer's camera and microphone. Please provide permission below for your child/ren to access this resource.

Please (✓) one of the following regarding permission for your child/ren to use the School's online resources:

☐ I give permission for my child to work with Zoom in a Virtual Classroom and connect with fellow students and teachers online.

☐ I **DO NOT** give permission for my child to work with Zoom.
