

VIRTUAL CLASSROOM

Protocols for learning from your teacher online

As you are all aware, Melbourne Montessori School will be delivering your lessons using Zoom and you will be connecting with other students and teachers each day.

We all need to be aware that this is almost the same as inviting someone or many people into your home and so we have developed the following guidelines to do this being mindful of your privacy.

1. Essentially before you can connect with your teacher, your parents need to have returned the signed Permission Slip which means they give you permission to connect digitally with your teachers.
2. Dress appropriately – make sure you are not in your pyjamas!
3. Be mindful of what is visible behind you and around you
4. You will only connect during normal school hours ie. Between 8.45am and 4pm
5. You will need to be in front of your digital device for the Roll to be taken each day (twice per day in the Junior School) or for each lesson (in the Senior School). This is a legal requirement if you are attending 'school'.
6. Watch out for an amended timetable which will come from your teacher/Advisor.

We hope you enjoy working online at Melbourne Montessori School – but also hope it is only for Monday, Tuesday, Wednesday this week!
